Sen. Brown spends day in Litchfield
Tours local industries and attends city council meeting

LANSING – State Sen. Cameron S. Brown, R-Fawn River Township, will be spending a day in Litchfield Tuesday, July 12.

“This visit is part of a concentrated focus on communities in the 16th Senate District,” Brown said. “The plan is to spend a day in communities across the district and learn first hand what their special needs and concerns are. Our day will start at 1:30 p.m. and end following the city council meeting that begins at 6 p.m. I can’t think of a better way to learn how best to meet the needs of the people I serve. I’m looking forward to spending the day in Litchfield.”

Beginning at 1:30 p.m., Brown will meet with Litchfield City Manager Don Hoyt and Mayor Ed Smith to tour five area businesses.

The tour will begin at Litchfield Industries, which manufactures park equipment and then continue on to Newco, a powder coating business.

The group will then stop by Hi-Lex Controls Incorporated, a power window manufacturing company and then travel to Blonde Farm and finally conclude with a visit to Litchfield Analytical, which performs agricultural testing.

Following the tour, Brown will attend the city council meeting at 6 p.m. at the Litchfield Fire Department, 221 Jonesville St.

“When folks get together and communicate, they find out ways to help each other,” Hoyt said. “Problems get solved, goals get set and resources get discovered. I’m a believer in synergy. Senator Brown will be visiting people with diverse needs and at the same time they have things in common.”

Brown can be reached via e-mail at sencbrown@senate.michigan.gov or toll-free at 1-866-305-0316.
